Hi Charlotte, fantastic, fantastic, fantastic, that describes The House that Funk Built! They were nothing short of brilliant and had the crowd dancing from start to finish. We would definitely have them again. We loved the swing set, so many people asked if the singer was miming and was it really Michael Buble! it worked so well over dinner. And their range of music was just perfect for the ball, we have had endless comments since. A personal thank you to the band for a very professional and superb night, we wish them all the luck in the future. Many Many thanks indeed.

Dear Matt, I just wanted to drop you a line to say how FABULOUS the bands were at Lucy & Matthew's wedding in Warwick last weekend. They are, by a long way the best bands we have worked with. The singers had such a great way of engaging with the guests and we have had so many positive comments. Both bands were utterly fab and all of the members were a delight to have around. I look forward to working with you again. Best wishes.

### **Liz Hancock, Wedding, Somerset**

You were outstanding. Everyone was absolutely raving about you the next day. You certainly helped make our day perfect. Thanks for playing the extra set for us. Is there a website we can go to to write a recommendation for you? We'll certainly be happy to pass your details to future couples who have their wedding at The Hollies. I also have your details and will let you know asap if we go ahead with a party for next year for 25 years at The Hollies for Rich.

Hi Matt, What a fab night had by all who came to my party on Sat 6th March. Everyone had a fab time. So many people made comments on what a fab band, great music and loved the way the two singers came out into the crowd and on the dance floor to sing. The dance floor was full! I got up to sing and so did my brother and sister. Thank you for making my 40th one so many people enjoyed and are talking about. People loved you guys! The band arrived on time, were all set up by the agreed time and just made the place rock! Keep up the fab work THTFB!

Hi Tracey, Well we finally made it down the aisle lol, wow, what a day. Anyway, just wanted to drop a quick line to say how fantastic the band were at our wedding, the only regret I have is being way too busy and not having enough time to enjoy them, Ummm that's two regrets lol. ## **D. Wells, Ash Vale**

I booked The House That Funk Built for my wedding last week and I can safely say they were everything I hoped for in a function band. They were punctual, polite, efficient and managed to get all of my guests dancing. I will recommend this band to anyone I know that needs a band for the future.
